

Please Pray for Our Homeless Neighbors

Through our partnership with FOCUS Philadelphia, members of our parish regularly serve hot meals and fellowship to our poor and homeless neighbors in Philadelphia and Norristown. During a recent evening of service, our volunteers took time to ask our friends their names and prayer intentions, if they were willing to share. What they offered was deeply moving and reveals a longing for peace, stability, health, family, justice, and hope.

Prayer Intentions Requested

We humbly ask the St. Philip parish family to remember these brothers and sisters in prayer:
