Stewardship 2021

“The Seal of The Gift of the Holy Spirit”

St. Philip's has always encouraged its members to set aside a percentage of their income as a pledge for the support of the Church. The Old Testament guideline for giving was the tithe (one-tenth). Under the New Covenant, we should strive to do as well or better. The chart below will help you estimate a pledge based on a percentage of your income - if you earn \$25,000 a year, they can be halved; if you make more, adjust them accordingly. Use the examples to challenge yourself.

If your **Annual Income** is **\$50,000**, then your pledge, if made on a weekly basis, would be:

3%	5%	8%	10%
\$29/week	\$48/week	\$77/week	\$96/week

If you make your pledge on a monthly basis, the amounts are:

\$125/month	\$208/month	\$333/month	\$417/month
-------------	-------------	-------------	-------------

(The above figures are rounded to the nearest dollar.)
